GENERAL FAQ'S

Who should I contact if I have questions?

In order to have a seamless event, Dance the Magic will be working with **one** main point of contact from the studio to organize and execute the event details. All event inquiries and pricing questions from parents will be redirected to your studio's main point of contact. Parents will receive limited communication from Dance the Magic, including, but not limited to, tech support and payment reminders.

What are the age requirements for these performances at the Disneyland Resort?

Parade - All Dancers must be 7 by April 11, 2026 for the Crystal Dance Classic performance at *Disneyland*® Park. This is a *Disneyland*® Resort policy, and unfortunately we are not able to make exceptions regardless of talent level.

When should we receive the Final Timeline?

The Final Timeline will be released approximately 10-14 days prior to the event. All times and locations are subject to change leading up to the event.

Will dancers have time to play in the Disney Parks?

While there will be some free time, the main focus of the weekend is the Dance the Magic experience. Our advice to families is to extend their trip before or after to ensure they have plenty of time to enjoy their family vacation at the *Happiest Place on Earth*®.

What happens in the event of inclement weather?

The safety of the performers is our number one concern. If rain is projected, the Parade may start early or start later in an effort to avoid the storm. If the rain is light, we will proceed with the performance modified for safety. If the weather is too severe, unfortunately the parade will be cancelled on account of safety. In the event of a cancellation, there are no refunds.

We appreciate your understanding, and will keep you notified with any updates to your order and its status. Disney Ticket Packages will not be sent unless the studio balance is paid in full.

How do we make our Disney Park Pass Reservations?

All Performers & Guests who purchase a package through Dance the Magic will automatically receive confirmed Park Pass Reservations with their ticket. All tickets will be Park Hoppers, and will be eligible to park hop after 11AM on each day.

Is it required to stay at a specific hotel?

If families wish to stay at the *Disneyland*® Hotel or *Disney's Grand Californian Hotel*® & Spa, they are required to book the full package through Dance the Magic as listed on pages 5 & 6. Should families wish to stay at any other hotel, they are welcome to book the Dance the Magic package without a hotel stay listed on page 7.

Is my entire studio required to stay at the same hotel?

Because the entire *Disneyland*® Resort is walking distance, your entire studio is not required to stay at the same hotel! When we release the final timeline for the event, we will provide you with an exact meeting spot for each event activity (final timeline will be released approximately 10-14 days prior to the event).

Is parking included at the Disney hotels?

No. Dance the Magic guests are responsible for their own parking costs and incidentals.
